"Thos. Moser: Legacy in Wood," Tom Moser's latest book

## Thos. Moser Room to Rebloom

Room to  
Rebloom

Thos. Moser's Georgetown Showroom Manager Kevin Sweitzer and his team, Assistant Showroom Manager Tucker Riner and Sales Associate Ed Myrtle, hosted an intimate evening event to raise awareness for the nonprofit Room to Rebloom, established to help survivors of domestic abuse make their homes beautiful as they reestablish their lives. During the gathering, Thos. Moser offered a sneak peek of its newest designs, including the Auburn Chair and Stool and the Sequel Chair and Table, which are being released in the Spring catalog and in April during Tom Moser's five-city book tour. Event guests also received copies of the book. Guests enjoyed specialty platters by Il Canale and cupcakes from Georgetown Cupcake. *Photography by Joy Asico.*
